YOUR SUMMER ADVENTURE AWAITS!

SUMMER CAMP FOR KIDS AGES 5-12
Our deliberately affordable YWCA camps are the ideal place to make new friends, develop new skills, and build self confidence. Weekly camp activities include arts & crafts, nature, drama, field games, swimming, water play, and theme-related activities. Language arts and math opportunities will be incorporated into all activities to support students academically during the summer months. In an effort to still provide children with the opportunity to experience off-site adventures, we will offer exciting professional entertainment experiences, as well as virtual field trips, designed to educate and engage. Campers bring their own lunch and drinks (refrigerators are not available). The YWCA provides daily nut-free snacks. Masks must be worn by staff, campers and anyone visiting camp. Detailed COVID-related policies and procedures can be found at ywcannj.org/summer camps.

STAFF
Our experienced staff go through rigorous training to ensure we are providing children with safe, positive experiences that build confidence, lifelong memories and a feeling of community that will last beyond the summer.

All staff must pass a thorough background check including:
- FBI and Fingerprints
- National Child Abuse Registry
- National & State Sex Offender Registry
- Reference Checks
