

Period **PRODUCT DONATION DRIVE**

Help create a better world for girls, women and people who menstruate by eradicating period poverty.

Period Poverty refers to a lack of access to menstrual products, and adequate education. This widespread issue affects an estimated 500 million people globally and locally. Those experiencing period poverty may have mental health challenges and physical health risks.

We are collecting feminine hygiene products. Items must be:
PACKAGED, NEW, UNUSED

- **SANITARY NAPKINS**
- **TAMPONS**
- **CLEANSING WIPES**

All donations will be distributed to women and girls in need within the communities we serve.

Thank You
